Homestay Accommodation

Elac hosts are selected by our Homestay Manager, who visits hosts every two years to inspect the accommodation provided.

Our hosts provide a warm welcoming atmosphere for our students where they can really feel at home. Homestay providers also have to comply with British Council standards, and have a current DBS Certificate (Disclosure and Barring Service).

Students can expect a comfortable bedroom with somewhere to study and shared bathroom facilities. They will often be sharing with other students and will travel by bus to the University. Laundry is done by the hosts once a week and any cleaning of the bedroom, including emptying bins, etc, is done regularly. Towels and bedding are provided and are changed weekly.

Most importantly, students are encouraged to speak English at every opportunity within the family setting.

Meals

Homestay Students

Most meals are taken with your host. From Monday - Friday students enjoy a hot lunch on campus. The host also provides a packed lunch for the weekend educational excursions.

Residential Students

Meals are taken in the dining hall and are buffet style. They comprise breakfast, lunch and an evening meal. There is a choice of food to cater for vegetarians, religious diets, etc. For educational excursions, a packed lunch is provided.

Medical Care & Wellbeing

Bath Royal United Hospital (RUH) with its Accident & Emergency department is 15 minutes' drive away.

There are local pharmacies in Bath if students require medication or need advice on minor ailments. Students must hand all medication to their group leader or the Elac Welfare Officer who will then administer it when required.

There is a small supermarket on site that sells over the counter medicines, e.g. paracetamol, cough mixture.

A First Aid box is kept in the Elac office and basic kits are taken on all excursions. There are First Aiders on site and Elac also has Mental Health First Aiders in Head Office if needed.

Safety & Security

Security is on site 24/7 and carry out regular patrols on campus. Each student has their own key card which gives them access to their allocated accommodation. These cards will be issued on arrival. The Elac Office can provide an area to store money or valuables securely. Students must lock all windows on leaving their accommodation and follow security procedures explained on arrival.

When out and about, we will explain to students how they can keep themselves and their belongings safe.

Students in homestay travel to and from the college on private or public buses, which is unsupervised.
